Similarly, the procedural rules of Article 12.7 of the IWF ADR apply by analogy to the process pertaining to the provisions above.
- d) Any quota places withdrawn pursuant to point a) and/or b) above shall be reallocated in accordance with the reallocation process as detailed in section **F. Reallocation of Unused Places**.
- e) With reference to Article 12.3.3 IWF ADR, should two or more Athletes or other Persons affiliated to an MF/NOC be found to have committed an Anti-Doping Rule Violation giving rise to a period of ineligibility of four years or more on the occasion of the Olympic Games Paris 2024 (including following further analyses of samples), the concerned MF/NOC shall be automatically prevented from recommending, entering and/or proposing affiliated Athletes or other Persons for participation in the next ensuing Olympic Games following the final decision imposing the (first two) relevant sanctions (and shall take all necessary measures to prevent such participation), without prejudice to any other sanction that may be imposed in accordance with the IWF ADR.
